mentoring

"I live in West Philadelphia but I was not getting to

really interact with anyone outside the Penn bubble. I became a mentor because I wanted to have an impact in the community, and I know the effect one positive influence in your life can

have. Spending a few hours weekly with a young person can inspire them to aspire to be something greater."

-Maria Conde, C'11

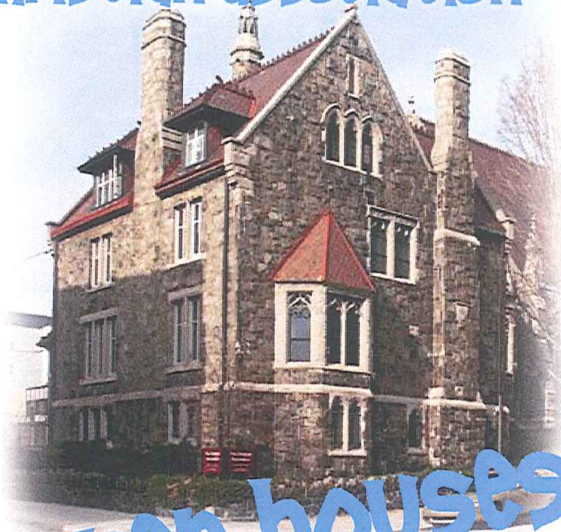

Email Miles at gomiles@gse.upenn.edu to become a mentor.

Christian Association

at Penn

the christian association is a

community of hospitality, service & advocacy, and faith exploration. We strive to live out the Gospel message - to bring God's love to Penn students (both undergrad & grad), faculty, staff and neighbors. We welcome every person into our doors regardless of religious affiliation, orientation, socio-economic status, ethnicity, race or gender.

We desire to be an association of Christians putting our faith in action (Christians of different denominations, of no denomination, of multi-faith backgrounds & of no affiliation). We also have relationships with many local Christian Churches & campus ministries - be sure to check out our church guide to find a place to worship. We hope to connect with you soon!
